TRAIL DESCRIPTIONS

> DH1 ◆
DH1 is a flat out blast from Mt Baw Baw's Village to 'Chair Corner', using parts of the original 'Jeep Track' and 'Chair Run'.

This trail has plenty of loose rock, technical sections and large jumps.

> MUELLERS TRAIL ◆
Muellers trail is a fast and technical descent from 'Five Ways' back to the village.

This trail flows along the original Muellers walking trail with plenty of rocks and other natural features.

> TANJIL LINK TRAIL ■
'Tanjil link Trail' climbs from 'Five Ways' all the way over to the Resorts National Park junction.

Once you've climbed the twists around the snow gums from 'Five Ways', you will cross the 'Summit Walking Trail' and descend towards the Baw Baw National Park over rocks and roots along natural single trail.

> UPPER TYRES TRAIL ■
'Upper Tyres Trail' will take you from Mt Baw Baw's summit (1564 metres) down to the Nordic Bowl while flowing through the alpine flora at your own pace.

> TANKED ■
'Tanked' is a small section of tight trail with great rock features, a great way to start your ride!

> AM1 ■
'AM1' is a feature full trail from the Village out to Saxton's picnic area with great boardwalk sections and technical rocks throughout.
