## Season Gate Entry Pass

1. The Season Permit entitles the nominated vehicle day and/or overnight resort entry to Mt Baw Baw Alpine Resort. The vehicle must have a seating capacity of less than 8 and be privately registered.
2. One registration number only can be nominated per permit (e.g. each vehicle requires an exclusive permit). The permit must be permanently affixed to the nominated vehicle immediately after purchase. The permit must be clearly visible and affixed to the windscreen. Failure to display the permit may result in an Infringement Notice.
3. The registration number on the permit must not be altered. No changes will be accepted. The permit is not transferrable and if breach of these conditions is observed, the permit may be withdrawn without refund.
4. The permit authorises parking for the nominated vehicle only. The vehicle is to be parked as directed by resort staff or relevant signs. Vehicles parked incorrectly may be issued an infringement.
5. Where the car is sold or the windscreen replaced, the permit must be removed and the parts returned to Mt Baw Baw Alpine Resort for issue of replacement. A replacement will only be issued in the same name of the original papers and proof of ownership via registration papers must be produced. (replacement fees may apply)

I acknowledge that I have read and agree to abide by the above conditions. Furthermore, I acknowledge that the Southern Alpine Resort Management Board will not be liable for and loss or damage caused by its (or its servants or agents) negligence. All signs must be observed at all times (including hours of darkness). No vehicles should be left in any position to cause obstruction. The directions of an authorised officer must be obeyed and observed and all regulations and the Alpine Resorts (Management) Act 1997 must be complied with.

#### Please note:

Under the Alpine Resorts (Management) Regulations 2009, we are unable to issue a permit for a second vehicle (registered to the same address as the first vehicle) either free of charge or at a discounted rate:
